A message from the Senior Leadership Team...

What an exciting day we have had today! It has been so lovely watching and listening to the children interacting with their new classmates. They have been so welcoming to the 'new to Castlechurch' children that have joined us ready for September and have embraced the younger children in their classes. We also welcomed Mrs Kershaw, one of our new TAs into Willow class, she had a lovely day getting to know the children and our school. We have said goodbye to Mrs Brewer today and we wish her luck with her new job. We know that she will be brilliant! Well done Y5 this week on entertaining your families with your music, singing and talents this week in your sharing assembly. The children explored the British value of democracy this week and took part in their own mini election. Wow! Such a busy week—think we all need a rest! Thank you for your continued support . Take care from Team Castlechurch :)

This summer, the 2024 Olympics, held in Paris, will run from 26th July to 11th August, and the Paralympics will take place from 28th August to 8th September. The Games will see the world's greatest athletes come together in France's capital city to compete for their place at the top of the podium. For many athletes, these Games are the peak of their sport, with a gold medal as the highest accolade. The competitors are likely to have spent months and years training for numerous hours per day to prepare. Will you be watching? What do you think of their dedication?
