A message from the Senior Leadership Team

This week has been a hard act to follow as Science week was so exciting, but it started well with great sport led by Stafford College students. Years 3 and 4 had an amazing time doing a circus skills enrichment activity which saw the children having great fun!

5/6 Cross country was a great success. Staff took the children along to an event where they competed against hundreds of other children. A particular shout out goes to Charley who stepped in last minute and ran despite being quite a lot younger than the others as he is in year 3. Watch out Usain Bolt!

A big thank you to parents for supporting and to the staff for talking the children along after school.

Comic relief turned our hall red-the children looked fantastic and we hope to have raised a good amount of money. Have a great weekend and we hope the sun stays out!

ECO NEWS

A message from our Eco monitors

The school is taking part in 'The Great Big School Clean between Monday 24th March to Friday 5th April. As part of this, each class will have a day where they are responsible for litter picking in the school grounds.

PARENTS WATCH THIS SPACE!

We want to encourage our families to take part in litter picking in their local area too, so will shortly be setting up a loan scheme where families can borrow the litter pickers to use with their children at home.

#GBSchoolClean

Coming soon!

We will shortly be sending out disco letters. This time we won't be sending tickets home. We have lists on the door as part of our safeguarding procedures and so we feel by issuing no tickets is easier for everyone as it saves you forgetting them and saves the planet reducing printing.
