A message from the Senior Leadership Team

This week our Year 6 children have been absolutely amazing! They took SAT'S in their stride and everyone worked to their very best. A big well done to all of the children and a big thank you to all of the staff for their hard work. You are all amazing!

The children across school supported Year 6 by being flexible with their day and understanding how important the week was.

Nursey have been busy growing cress and Reception have been travelling the World with an airport in their Role Play Area.

Years 1 and 2 preparations are well under way for their upcoming phonics screening test. Keep up the good work! Year 3 and 4 began their Forest school sessions and in Science had a challenge of who can grow the tallest sunflower. The children have loved the sun being out and playing with

Elm	98.15%
Oak	96.67 %

This Week's
winner is:

Beech

Our whole school attendance
This week, our school attendance was:

96.99%

Let's look at this week's story

Three teenagers from Indore, India - Dhruv Chaudhary, Mithran Ladhania, and Mridul Jain - have created a salt-powered fridge. Their goal is to support hospitals in rural areas around the world that lack access to electricity. Their invention, called the Thermavault, was submitted to The Earth Prize, a global competition which aims to inspire young people to solve world-wide problems.
