

What is safeguarding?

Safeguarding is the action that is taken to promote the welfare of children and protect them from harm.

Safeguarding means:

- protecting children from abuse and maltreatment
- preventing harm to children's health or development
- ensuring children grow up with the provision of safe and effective care
- taking action to enable all children and young people to have the best outcomes.

Child protection is one part of the safeguarding process. It focuses on protecting individual children identified as suffering or likely to suffer significant harm. This includes child protection procedures that detail how to respond to concerns about a child. Safeguarding children and child protection applies to all children up to the age of 18.

'Safeguarding is everyone's responsibility, every day'

Keeping your child safe in school means:

- ♦ the health and safety of all children
- ♦ making sure that the adults who work & visit here have undergone the necessary safety and security checks
- ♦ protecting children from deliberate harm
- ♦ being pro-active against bullying and protecting our pupils from harassment and discrimination
- ♦ a positive approach to behaviour management—following our policy
- ♦ meeting the needs of pupils with medical conditions & providing first aid
- ♦ children enjoying safe educational visits
- ♦ providing a curriculum that teaches children how to help keep themselves safe including online
- ♦ ensuring the school site is secure and safe
- ♦ being a 'listening school' to worries and concerns (posters around school, worry boxes & emotion boards in class).

All of our staff have regular safeguarding training and weekly briefing updates. Staff updated their safeguarding training on the September INSET day. Safeguarding is also part of our CFLP induction programme for staff.

Operation Encompass

Our school participates in a national scheme called 'Operation Encompass' which is a joint partnership between Staffordshire Police and schools. One of the principles of Operation Encompass is that all incidents of domestic abuse are shared with schools, not just those where an offence can be identified. This system has been established to help schools provide in-school support to children who have been present at, exposed to, or involved in any domestic abuse incident. We know that children can be significantly harmed, physically and/or emotionally during these situations, and that it also negatively affects their learning & behaviour. Therefore, as part of the Operation Encompass procedure the school receives an email from Staffordshire Police the morning after a child has been witness to, or involved in any recorded domestic abuse incident. We are then able to use this information to provide the right support to any child and their family as and when they need it.

Key Documents

We have reviewed and updated our Safeguarding and Child Protection Policy in line with 'Keeping Children Safe in Education 2026' [Keeping children safe in education 2026: September 2026](#). Please visit the Policies section of our website to view our school's Safeguarding and Child Protection Policy September 2026.

Staffordshire Safeguarding Children Partnership's Priorities for 2025-2028 are:

1. *Extra Familial Harm (Contextual Safeguarding)*
2. *Effective integrated front door*
3. *Intra-familial Child Sexual abuse*
4. *Domestic Abuse*

SSCP work with a wide range of partners to develop projects and support schools and families in Staffordshire in relation to these priorities. [The Voice Project](#) and [Catch 22](#) are two of their partners. SSCP are also promoting [The Separating Better App](#) to help parents to manage their separation and make co-parenting arrangements that work in the best interests of their children.

[The Voice Project](#)

Please use this [link](#) or visit the Facebook page for lots of useful information/support and activities to get involved in for young people in Staffordshire.

[Catch 22](#)

Catch 22 [Stoke-on-Trent and Staffordshire CSE and Missing](#) service, has been launched to support children and young people in unhealthy relationships, victims of child sexual exploitation and children missing from home.

Commissioned jointly by Stoke-on-Trent City Council, Staffordshire County Council and the Office of the Police and Crime Commissioner, the new service delivers a range of early work and targeted support with families, and carries out return home interviews for all missing children. The team is based in three geographical areas, Staffordshire North, Stoke-on-Trent and Staffordshire South ensuring that communities are able to easily access support.

[The Separating Better App](#)

The app **Separating Better** is to help parents to manage their separation and make co-parenting arrangements that work in the best interests of their children. There's lots to explore, including:

- ♦ A parenting plan which parents can create and share with their ex-partner to make arrangements and keep track of what has been agreed.
- ♦ A budget planner to help with sorting out finances.
- ♦ Advice and guidance on a range of topics, covering legal issues, co-parenting, and talking to children about separation.
- ♦ Work it out videos which show five families working through different issues to help parents learn communication skills that can help them handle difficult conversations with their ex-partner.
- ♦ A goal setting tool to help parents set goals they'd like to work towards and keep track of how they're doing.

Separating better is now available to download from app stores.
